m.SelfService: self-service ticketing kiosk for theatres and cultural centres

Audiences in their seats, not queuing.

Theatregoers choose seats on the seating plan, pay and are seated before the first bell. The box office stays free for reservations, subscribers and questions.

A kiosk in your colours stands in the foyer. The screen shows your programme, and your logo is on the ticket and receipt.

No crush in the last half hour before the show

Sales even when the box office is closed

Easy for older audiences too

Friday, 20 minutes before curtain up
The audience is gathering in the foyer. Most have their tickets on their phones, and a few buy the last available seats at the kiosk. Meanwhile, the box office deals with subscriptions and questions.

Seats, subscriptions and extras
- Seat selection on the seating plan, with the same seats as at the box office and online
- Standing places and discounts
- Purchases for subscribers and groups
- Add-on sales: a voucher for a programme booklet or an interval drink, and a ticket for the next performance
- Six languages for international visitors

Part of the mojekarte platform m.SelfService runs on the platform used by more than 200 venues, selling 4.5 million tickets a year.
