m.SelfService: self-service ticketing kiosk for festivals and concerts

Sales at every entrance.

At the entrance, the kiosk sells tickets to last-minute buyers. All from the same system as your online shop.

The kiosk is in your festival's brand, with sponsors on screen and your logo on the ticket and receipt.

On hardware of your choice

We install m.SelfService on a kiosk you choose or already own. We connect a payment terminal from a bank or payment processor we support in your country. The choice depends on your country and bank. Kiosk tickets are checked at the entrance by turnstiles and handheld terminals connected to the mojekarte access control system.

Friday, an hour before the headliner

The entrance is filling up with visitors. Those with a ticket on their phone go straight to the gate. Those who decided at the last minute buy a ticket at the kiosk. The entrance team checks tickets.
