m.SelfService: self-service ticketing kiosk for sports clubs and arenas

Fans in the stands, not queuing.

Fans choose their stand and seat, pay and are in place before the opening whistle. The kiosk adds points of sale when you need them.

The kiosk comes in your club colours with your crest, or with a foil wrap in your brand. The screen shows your colours, photos and messages, and sponsor ads when idle. Your crest is also on the printed ticket and receipt.
