m.SelfService: self-service ticketing kiosk for business events and conferences

Buy on site, no queue.

Delegates who decide on the day buy a ticket at the kiosk and get a fiscal receipt straight away. Your team can focus on delegates, not on the queue at the desk.

The screen shows the event's colours and messages, and sponsor ads when idle. The casing comes in your colours with your logo, or with a foil wrap in your brand. The printed ticket and receipt carry your logo.

On hardware of your choice

We install m.SelfService on a kiosk you choose or already own. We connect a payment terminal from a bank or payment processor we support in your country. The choice depends on your country and bank. Kiosk tickets carry a QR code for turnstiles and handheld terminals connected to the mojekarte access control system.

Tuesday, 15 minutes before the start

Delegates arrive all at once. Most have their tickets on their phones, and some buy them at the kiosks. The team at the desk looks after delegates and speakers.
